

Q8: Does the Prophet (peace be upon him) come to visit a dying person himself or is it only his image?

A8: The Presence of the Prophet (peace be upon him) or any other person who died is one of the unknown and unseen things that can not be established except with legal evidence. No one is allowed to talk about this except with legal evidence. It was not reported in any Ayah or Hadith that the Prophet (peace be upon him) visited any dying person himself or by his image. People will meet him only on the Day of Judgment and ask him to intercede to their Lord to move them from the situation and other special matters that are due to the Prophet (peace be upon him) on the Day of Judgment that were told by him.

May Allah grant us success! May peace and blessings be upon our Prophet Muhammad and upon his family and Companions!
