

Investing the orphans' money

The fourth question of Fatwa no. 4274

Q 4: Is it permissible for me to trade in the orphans' money that I have, conducting buying and selling transactions, until it gains profit and then pay the Zakah (obligatory charity) from the profits?

A: It is permissible for you to conduct buying and selling transactions with that money and run it as you do your own. You should fear Allah as He should be feared and know that He watches you in your privacy and in public. You should also pay the Zakah due on this money.
