

### Repaying a debt in a different currency

The second question of Fatwa No 6903

**Q 2:** I borrowed some money from a person (in French currency) on the condition that I would return it to him in France. However, when he came to Algeria, he asked me to give him Algerian dirhams in return for his money. What is the ruling on that?

**A:** It is permissible to pay back the same sum in Algeria whether in French currency or by giving the equivalent value at the current rate of exchange in Algerian currency on the condition that delivery is fulfilled before departing.
