

### Showing sincerity as an employee

The nineteenth question of Fatwa no. 19773

**Q 19: How can we be sincere at work? Is sincerity part of the Amanah (honesty, trust, and obedience) mentioned in the Qur'an?**

**A:** Being sincere when working as an employee or someone who is hired to do a job means to perform the work in accordance with what is required and agreed to in the work contract or by the employment system. It part of the Amanah that it is obligatory to fulfill, as Allah (may He be Exalted) says (what means): [﴿ Verily, Allâh commands that you should render back the trusts to those to whom they are due. ﴾](#)
