

**Q: I bought some used gold, then I refined it in a way to make it look like new before selling it at the price of new gold. It should be mentioned here that I did not inform the buyer about this. Is this sale permissible?**

**A:** If the case is as you have mentioned, it is impermissible, for it is a form of fraud.

May Allah grant us success! May peace and blessings be upon our Prophet Muhammad, his family, and companions!
