

We have an old masjid surrounded by a very old ruined cemetery except for one grave. The villagers want to expand the mosque, so that the graveyard will be included in the mosque, taking into account that the place mentioned is the most suitable one for building the mosque. Is it permissible or not?

A: It is prohibited to include the mentioned grave or any part of the cemetery in the Masjid.

May Allah grant us success! May peace be upon our Prophet Muhammad, his family, and Companions.
