

First question from Fatwa No. 7325:

Q: Is it true that the Prophet (peace be upon him) was created from the light of Allah (may He be Exalted)? Does this saying benefit Allah's Perfection (may He be Exalted)? Kindly give your Fatwa on this issue, supported by proofs from the Qur'an and Sunnah.

A: There is no proof in the Qur'an or the Sunnah that the Prophet (peace be upon him) was created from the light of Allah. To the contrary, there is an abundance of proofs, in addition to the proof of reality that he was born to a human father and mother like all human beings and his lineage is known. This lays bare the falsehood of the

claim that the Prophet (peace be upon him) was created from the light of Allah (may He be Exalted), a claim which contradicts the Perfection of Allah (may He be Exalted).

May Allah grant us success! May peace and blessings be upon our Prophet Muhammad, his family, and Companions!
