The first question of Fatwa no. 9909:

**Q 1:** I have a trading office. I work as a deputy and mediator for foreign companies which manufacture ready made garments and food stuffs. These companies sent samples of what they manufacture and the defined prices. I present these commodities to merchants in the market according to the defined price set by the company. I do this in return for an agreed upon commission. Is it permissible for me to receive this commission?

**A:** If the reality is as you have mentioned, then you will be permitted to receive such commission.

May Allah grant us success! May peace and blessings be upon our Prophet Muhammad, his family and Companions!
